

## **SAUL IS CHANGED TO PAUL**

OUR STORY TODAY...tells of a man named Saul, whose name was changed to Paul. He went from being an angry man, to being a very kind man.

How our eyes look tells people around us how we are feeling: happy, sad, man, upset. Our eyes seem to show a lot!

First, colour the face of the man in the picture. Then, cut out (or get some help to do this) the eyes on our craft sheet today, to help you remember this story.

Try putting some “angry eyes” onto Saul. Then, try putting the eyes that were on Saul’s face when he was praying to God.

And then, see how kind the eyes looked on his face when Saul was changed, ....in fact, he became so different that he even changed his name to Paul!

Let’s try to keep our eyes kind this week as we show God’s love to our family and friends!
