CAROLYN MURRAY - Carolyn is a long time member of Lambeth United Church. Her interest in sponsoring refugees started when she met other individuals who were involved in such projects. As a teacher of adult ESL students she became even more interested in helping refugees to come to Canada and settle in our community. Then the Syrian refugee crisis happened in 2015. In her role as Chair of the Middlesex Presbytery Outreach Committee she coordinated a very successful workshop in October on how to sponsor refugees bringing together refugees, churches, community groups and resource agencies (eg. United Church of Canada, Cross Cultural Learners Centre, IRCC).It was at that workshop where she met Mazin Al Hadeethi an Iraqi refugee who had already been in Canada for 5 years but was looking for a private sponsor for his son Marwan who was a refugee in Turkey. She asked the LUC Outreach Committee if they would be willing to cosponsor Marwan with his father. LUC agreed and with the help of the United Church of Canada as the Special Agreement Holder, the application to sponsor Marwan was submitted in December 2015. Then in January 2016, Wendy Barbour one of our council members became aware of a Syrian family of four in Aleppo, Syria who needed a sponsor to get out the city that was being bombarded daily. So LUC agreed to sponsor the Ghazal family in a partnership with Riverside United and Kilworth United. One of these sponsorships was successful but the other was not.
